NetTerm is a convenient and inexpensive term life coverage designed to insure the indebtedness on larger, long term loans.

NetTerm can be written to include credit disability insurance.

Example of NetTerm Life and Credit Disability Coverage

Loan Interest Rate	8%
Loan Term in Months	60
Loan Amount Financed	\$25,000
Customer's Age	30
NetTerm Life Only Premium	\$304.54
NetTerm Life and Credit Disability Premium	\$1,799.24

- NetTerm coverage on reducing loans insures the principal amount of the loan, fees, the insurance premium and one months interest.
- NetTerm coverage on level pay loans insures the principal amount of the loan, plus fees, the insurance premium and the interest.
- NetTerm insurance is designed to insure loans greater than \$25,000 and the premium is based on the customers age.
- NetTerm will cover balloon notes, those with fixed monthly payments and loan payment frequencies of monthly, quarterly, semi-annual, annual, 5 payments per year, semi-monthly, bi-monthly and bi-weekly.

Effective Date: Insurance will become effective on the date the certificate is completed and signed, if the proposed insured is an acceptable risk according to regular underwriting requirements.

Non-Medical Limits: For amounts of insurance in excess of the limits below, a medical examination is required. Such examination may be obtained from either a physical or a para-medical facility. The examination is paid for by Gulf Guaranty. See below for maximum limits allowed.
